**PRIVATE &  
CONFIDENTIAL**

Dear Mr Musk and Ms Yaccarino,

**Purpose of this communication is two-fold:**

1. Invite you to be the patron/s of our award winning international health support network, which was founded in 2010
2. Response to the post dated 6 August from Mr Musk promising to pay legal bills for X users who suffered detriments from employer after sharing facts on social media, which was viewed by 132 million people.

Firstly, may we invite you to be patron/s of our award winning international health support network, which was founded in 2010. Our founding patron Baroness Mary Warnock in the UK House of Lords was the former Head of Cambridge University Girton College but she passed away in 2019. In 2022 we started to look for a new patron but there were no suitable candidates.

Our prominent profile on X has existed since 2012 when the social media site was called Twitter. We are subscribed to Premium Blue membership and our X profile is also a paid subscriber of Mr Musk's X profile (our supportive comments in response to his interesting posts are displayed with a subscription badge).

Below is our website address:

On next page there's a copy of the poster about the patron vacancy. If both of you accept the role, you can be joint patrons.

We are based in London (England) and would be delighted to meet with you and/or your representatives for afternoon tea.

## **We remember and celebrate the life of our founding patron**

Healed by Compassion is a multi award winning international health support network, founded in 2010 by a senior professional who was elected governor of 20 hospitals and 5 schools spanning many years.

We promote kindness, understanding and wisdom. We provide support and information to thousands of people in need via the internet, telephone and in person. We receive no funding so the unpaid voluntary work is motivated by the genuine need to help communities.

The Patron of Healed by Compassion was The Right Honourable the Baroness Mary Warnock, CH DBE FBS FMedSci. Our ambassadors and advisors include 4 peers, senior police officers, senior doctors and a Lord Bishop. Our profile on Twitter has approximately 32,000 followers and our profile on LinkedIn has over 22,000 followers.

Baroness Warnock passed away on 20 March 2019, we have been heart broken and too upset to seek a new patron.

Baroness Warnock was the Mistress of Cambridge University Girton College (1984 - 1991), her husband Sir Geoffrey Warnock was the Vice-Chancellor of Oxford University (1981 - 1985) and her elder brother Sir Duncan Wilson was the Master of Cambridge University Corpus Christi College (1971 - 1980).

It is, of course, impossible to replace Baroness Warnock, but we do need a patron. There is no work involved for the patron. When Baroness Warnock was the patron, we regularly updated her on the good work we did and that was all.

If you know a well respected community leader who could become the new patron of Healed by Compassion health support network, please contact our volunteers via social media.

**The second part of this letter focuses on our response to the post dated 6 August from Mr Musk promising to pay legal bills for X users who suffered detriments from employer after sharing facts on social media, which was viewed by 132 million people.**

Since the post, mainstream British newspapers such as The Times, the Guardian, Daily Mail, Independent and others have published news articles to let millions of people know.

In our award-winning international health support network, many of the victims we support were wronged by their employers after sharing facts on X (formerly Twitter). We are aware many victims all over the world have contacted you, so we don't want to overwhelm you with a long string of worthy cases. Based on guidance, we will present one case at a time to you.

The first worthy case is a prominent community leader in London (England), who was the first person in human history to have held the following distinguished public offices at the same time:

- Governor of 20 major NHS Hospitals in London
- Governor of 5 London Schools
- Justice of the Peace for England and Wales (Judge in Magistrates' Court)

Sadly, as a result representing the best interests of the communities who elected or recommended him, which involved sharing facts on social media sites such as X (formerly Twitter), his employers victimised him in the following ways:

- Bullying
- Harassment
- Discrimination
- Personal Injury
- Medical and Clinical Negligence
- Breaches of Data Protection and GDPR
- Misconduct in Public Office
- Pervert the Course of Justice and Obstruction of Justice
- Miscarriages of justice

The brutal impact ruined all aspects of the community leader's life, career and health. He also lost all his positions. It is one of the worst cases of human rights abuse ever existed.

Friends who are retired lawyers and judges advised if the victim is successfully in persuading X to take on the case, the level of compensation should be in the region of £100 million (US\$127 million), of which £20 million for rebuilding his ruined life and health and remaining £80 million for the marginalised communities he has dedicated his life to helping.

**Next step:** We understand you have a team of experts to assess the merits of cases. The above mentioned victim has kept 20 lever arch files of hard evidence for the merits assessment and is ready to meet with your team to discuss how to proceed. Perhaps the initial meeting can be done via video call and then the victim can send the evidence to your office via post or email?

## **Communication:**

Due to the UK cost of living crisis, our donation level has been reduced by 95%, as a result we can no longer afford our usual charity PO Box address and mailbox. But we still have the charity email account, so please send your reply via email to the following address:

The above email address is registered with X and is verified.

**Enclosure:** Please find attached a copy of the aforementioned post from Mr Musk.

We look forward to hearing from you and your colleagues via email.

With our very best wishes and warmest regards from all of us at Healed by Compassion international health support network
